

# The NCW North West Competition Brief

Prize Sponsor: globalbridge

## Aim

To inspire students to research, investigate and showcase a career area of their choice through the creation of a video to their peers.

The competition will be launched in the Autumn term 2019 for Year 9 and 10 students working in groups of 4-6. It can be worked on as part of the curriculum across multiple subjects, as part of an extra-curricular activity or group and is a great project for schools to do during NCW! Multiple entries from the same school/organisation are encouraged.

## The Challenge

Create a careers video of no more than 3 minutes to showcase a Career Area in their community.

Students can select one of the following Careers Areas:

Digital, Creative & Media

Science, Technology, Engineering and Maths (STEM)

Leisure and Tourism

Business and Finance

Students may choose any format for their video; these may include:

Interviewing someone working in that career area

Presentation within the video

Animation

Role play / Acting

Singing / Rap

Students should be encouraged to be as creative as possible and will need address the following **CORE** points:

1

### The Careers Area

Why did they choose this area, what appealed to them about it and what significance does it have in the local area?

2

### Careers Available

Showcase the different types of careers available in that area.

3

### Careers Routes

Showcase examples of the types of qualifications and the different career routes available.

## Assessment

All entries will be assessed using the CORE criteria above as well as:

- ☐ Creativity / Innovation
- ☐ Communication quality and message
- ☐ Research of content
