After taking part in this activity...	Strongly Agree	Agree	Neither	Disagree
I understand the working world better				
I've learned things that I never would have thought to ask about				
I have learned about jobs that I'd not heard of before				
I have found out more about the job and career opportunities in the industry and the company				
I understand that these opportunities are for males and females from all backgrounds				
I think I would like to do something like this				
The event helped me with making choices about the future				
It was good to talk to and learn from people who work for the company				
The visitors gave me a good impression of the company				

This activity has made me resolve to pay more attention in a subject from now on.
